**Why Am I Submitting Paperwork to Vision if I Am Also Required to Submit a Proof of Claim to the PFG Bankruptcy Trustee?**

In every bankruptcy, each creditor needs to submit a proof of claim to the Trustee in order to be considered for a possible distribution to creditors. At the Trustee's website, it states that **November 16, 2012**, is the last day to file your proof of claim.

In addition, the Trustee also received approval from the Bankruptcy Court to make an immediate interim distribution of customer funds to former PFG futures customers. After he received approval, the Trustee transferred those funds to Vision under the condition (approved by the Bankruptcy Court Judge) that Vision hold those funds and give the former PFG customers the options to: (1) use the funds to begin trading at Vision, (2) request a refund of those funds or, (3) request that the funds be sent to another financial institution.

Since the former PFG futures customer accounts were purchased by Vision, each customer who wants to exercise one of these options must provide Vision with the appropriate form and all necessary documentation in order for Vision to process their request. The forms can be found on our website at:

<http://www.visionfinancialmarkets.com/pfgtransfer/>.

Vision is a licensed financial institution and we will not receive from the former PFG customers the extensive customer information and paperwork which we require from our own trading customers. Further, we believe that the possibility exists that some of the former PFG customer information may have been compromised. With this possibility, and our legal and fiduciary duty to protect your funds, we must receive certain information from you to help us determine that your request is valid (e.g., photo ID and tax form). Any information already sent to the Trustee in a proof of claim is not being forwarded to Vision, and therefore Vision will need you to submit this new paperwork for your customer account(s).
